Amrâth HÔTELS

Sustainable choices of Amrâth Hôtels

At Amrâth Hôtels, sustainability is of paramount importance. When compiling our menu, we choose sustainable products in addition to quality, taste and presentation. For us, sustainable products are products of which we have traced their origin. We do this together with our suppliers to make better choices for you as a guest but also for the environment. We take sustainable steps, making it easier for you as our guest to make a responsible choice. To guarantee sustainability, our suppliers work with independent quality marks. We also believe that the choice for honest, organic and regional products complement the overall experience of a dish.
